PRINCIPAL'S REPORT

SASS Week (School Administrative Support Staff)

This week celebrates the recognition of all our school SASS workers. We are fortunate to have a number of people who work to support teachers and students at Glenbrook PS. This includes our front office personnel, **Marianne van Esch, Dianne Hall, Victoria Smith** and **Robyn Tumeth Clarke**, our teachers aides, **Viv Titterton** and **Linda Waters** and general assistant **Ian Wilson**. Over 3 years I've been fortunate to work with Marianne, administrative manager to see many changes in administration that has benefited the operation of the school. Among changes, we now have an improved OASIS system to handle finances between school sites and by the end of the year we will be introducing a new enrolment system, streamlining enrolment procedures. It is a pleasure to work with a team prepared to implement change that benefits the school.

Senior Camps

Both our senior groups enjoyed their recent 3 day experiences away from school. Our Year 5 students attended Broken Bay. They participated in a busy program consisting of kayaking, rock climbing, high ropes, initiatives and archery. The weather, location and facilities were all brilliant. Our Year 6 students visited a number of sites in Canberra including Parliament House and the War Memorial. Thank you **Shelley Hamilton** who accompanied me to Broken Bay and **Craig Wynn-Jones** who accompanied the Year 6 group. Their assistance was much appreciated over the 3 days.

Public Speaking Competition

Congratulations to our students who represented at the recent competition at Winmalee. I was fortunate to hear a number of speakers who confidently performed. Our speakers were **Kaleb Robertson, Kate Taylor, Alex Buchanan**, and **Michael E**. Congratulations Michael who became the Year 6 champion for the public speaking competition. Well done Michael!!

Interrelate

We are currently organising for Interrelate to visit the school in Week 3 Term 1 next year. The group will present, during an evening, human relationship workshops for interested parents and students. More information will be presented early next year.

Variety School Performances

A large number of keen students have shown interest in auditioning for our 2007 variety performances. Tickets will be on sale shortly. Thank you to teachers **Janine Macky, Bronwyn Rawson, Kylie Whalan, Helen Fawkes** and dance teachers **Natasha Hogan** and **Katrina Barker** for your assistance with organising this event.

Aboriginal Performance next Thursday

Aboriginal performer, **Fred Reid** will present the performance 'Let's Bridge the Gap' next Thursday. A note went home to parents early last week.

Website is up and running

Our long awaited website is now available. The website contains information parents and community will find useful including information about the school, newsletters and upcoming events. **Marianne van Esch** and regional ITC, **Rick Tester** worked to create what appears an extremely professional website for Glenbrook PS.

Learning Update

Margaret Steed our teacher of OC students attended a workshop focusing on Gifted and Talented as well Quality Teaching. Among plans I'm currently developing for next terms Professional Learning will be a focus on these areas. This week **Janine Macky** demonstrated many of the applications teachers can access from the department when using technology with students. The on line quality resources available for teachers in public schools to use in classrooms is increasing at an enormous rate.

Mufti -Gold Coin Donation

Traditionally the last day of each term provides students with the opportunity to wear mufti to school. The Lions Club has organised a performance for disadvantaged children with special needs to attend the World Festival of Magic. They have requested if we could assist through fundraising, providing the opportunity for two or three special needs children to attend the festival. This will be our fundraising for charity for Term 3. Money raised in the Infants will go to Stewart House. A gold coin donation would be more than adequate for this occasion.

WACKY WORKSHOPS SCHOOL HOLIDAY PROGRAM

For 7 – 12 year olds

Are you sick of the kids sitting in front of the TV during the holidays?

Why not treat them to a Wacky Workshop?

Your child will have loads of fun, learn new skills and make friends in a safe, caring, friendly, home environment at Glenbrook. The workshops are run by an experienced pottery/craft teacher and assistant trained in child care and first aid. Limit of ten children per class

ensures individual attention and **intensive fun.**

Week One is Puppet Playhouse for full work participants only and Week Two is a variety of Wacky Workshops for full week or full day participants

THE FUN STARTS ON OCTOBER 1

Cost of \$25 per day includes **ALL** materials

For a detailed timetable and bookings call Tami at

Wacky Workshops 47394059 or 0402732859 or email
