PRINCIPAL'S REPORT

Final Week of Term 3

It has been a busy end of term with school camps, Variety Night, and many other events occurring over the last few weeks. With my executive, I'm currently in the process of planning next terms direction which will also have a positive influence into 2008. Some of the areas of focus will include Quality teaching and students welfare. Already we are planning our first staff development day for 2008.

Thank you to our teachers who again have placed so much effort into organising events this term. It has been busy for teachers but I know students have enjoyed and benefited greatly. I wish all our families a wonderful term break.

Write 4 Fun

Congratulations to the many students Years 3 to 6 who entered the Write 4 Fun competition. This year, the competition asked for students to create using any style and any topic. Well done to all students who entered the competition.

I understand that parents have received a letter outlining the next stage of the competition. It is the decision of parents if they want to purchase the book. I believe it is too expensive. The school originally entered the competition to provide many of our excellent writers the opportunity to write. The school was unaware of the details outlined to parents in the letter.

Variety Night

Congratulations to all the students who entered the Variety Performance Concert. It's wonderful to see so many confident and talented students at Glenbrook PS. Thank you again to our teachers involved in the organisation of this event. Thank you to *Vanessa Linas* who has assisted with tickets.

Hats

Again we request our parents assist by ensuring that all students come to school with appropriate hats. Hats include legionnaires, bucket or broad brim. Students without hats are asked by teachers to remain and play in shaded areas.

Old House

For 3 years our school has been going through the process of selling the old play group house in Cowdery Street with the intention of using the proceeds to make capital improvements within the school. The department has decided recently that it will be a priority to remove the house providing the school with further play ground space. This can be viewed as a positive move after 3 years. Unfortunately this will not provide money to build a multipurpose court, a priority expressed by teachers and community. I'm currently examining ways to secure funding so a multipurpose court can be built in the school.

Farewell

Farewell to *Victoria Smith* who successfully gained a position at Faulconbridge PS. Victoria has been regularly employed in our school as an administrative officer. She has contributed enormously to the school over the past few years. Congratulations on gaining your new position Victoria. We wish you well!!

Citizen of the Term

On Thursday I will have the privilege of having morning tea with our school citizens for the term. Students have been selected by their peers in each class for the person who follows our school values.

CANTEEN NEWS

Attached to this newsletter is a copy of the summer menu for Term 4. Please note new prices including Jumpys, JJs and Frozen Yoghurt. The serving size for juice has changed and this is reflected in the lower price of \$1. Liquorice will be 15c per strap.

There is a limited supply of hot food items which may be ordered until sold out.

Please note the **last day for Canteen is Friday 30 November 2007.**

The canteen will then be closed for 2007.

LOST PROPERTY

Please come and have a look for your child's lost property. Students should look in the lost property cupboard.

Labelled items are usually returned to the owner. Unlabelled items will be taken to the clothing pool to be sold. Non school items will be sent to Stewart House.
