SCOOTERS ON K-2 SITE

Parents are requested NOT to let children ride scooters, or bicycles, to school while children are on the K-2 site.

There have recently been some children riding scooters and these are now becoming a safety hazard, and a storage problem, as we have nowhere on the verandahs or in the classrooms for them to be stored safely.

Road Safety research indicates that children under 10 should not be riding bicycles or scooters on public roads.

Thank you for your support in this matter.

PRINCIPAL'S REPORT

Farewell to families

This will be the final newsletter for 2007. I would like to thank the many parents who have supported the school and students over the year. We also have a number of families who have their youngest child moving onto high school. Our staff would like to thank you for the relationship developed over the years while your children were coming through the school. Many of these parents have also contributed in so many ways and can certainly be proud of the achievements they have made.

On behalf of our staff, I wish all our families a lovely Christmas with families and friends. Have an enjoyable and safe holiday break.

Premiers Reading Challenge

Congratulations to all the students at Glenbrook who recently received certificates of achievement for completing the 2007 Premier Reading Challenge. This year 164 students from Kindergarten to Year 6 successfully completed the challenge. Several students received a special 'Glenbrook' certificate for reading significantly beyond the requirements of the challenge. Thank you to Jenny Kirk, teacher librarian and Linda Walters for coordination and administering the challenge.

Year 6 Farewell

Last Thursday evening teachers had the opportunity of farewelling our current Year 6 students. It was a wonderful and relaxing occasion with a mixture of activities including dance for all to enjoy. I would also like to thank all the parents who assisted in making this a special occasion for the Year 6 by decorating the hall and preparing and catering the food during the evening. It was an evening that students will remember. Next Monday it is intended to hand out graduation certificates and a CD of photographs taken during the farewell.

Outstanding Attendance Awards

Congratulations to all the students, K-6 who received a special certificate for outstanding attendance. Twenty students were awarded a district certificate for excellent attendance at school during the year.

Year 6 Christmas Narratives

Students from 6S had the opportunity this week to share Christmas narratives with students in Year 1. The senior students have been working to create stories with the purpose of entertaining a young child. Looking at how Year 1 responded, they obviously enjoyed the narratives.

Farewell to Peter Nicholls

Teacher Peter Nicholls has successfully received a transfer to York School next year. We thank Peter for the contributions he has made as part of the teaching team and also his achievements with students in sports during his time at Glenbrook. We wish Peter the best in his new position. Jann Thedgold has been appointed as the replacement teacher. We look forward to working with Jann, recognised for her strengths in areas of teaching curriculum.
