PRINCIPAL'S REPORT

Teacher Professional Learning

This week all teachers focused on mathematics. We were fortunate to obtain the assistance of our regional consultant, Susan Smith who explained the implementation of Reciprocal Numeracy strategies and its implication for teaching mathematics. Reciprocal Numeracy is teaching students an approach to problem solving situations in maths. This involves finding the relevant information, understanding what is being asked, and applying to solve the problem.

During the week a consultant from GO Maths also worked with teachers in implementing the new program.

P&C

Our recent meeting allowed me to brief parents on the school's direction for 2008. Our focus includes Literacy and Numeracy, Quality Teaching/ Gifted and Talented, and Student Welfare.

State Knockout Cricket

On Friday we are hoping to hold our first knockout game for 2008. The team has been training since Week 2 during lunchtimes. We wish them well playing Blaxland East P.S.

Canteen

Thank you to our parent volunteers who have worked to open the school canteen during the week. A price list was made available in the newsletter last week. The canteen is providing a large selection of foods for students to consider. It's a great service provided by our parents. Other helpers are always welcomed.

Interrelate

A very successful night was held at school last Wednesday. A large number of families came during the evening attending one or both sessions. The second session had well over 100 attending. We will be inviting Interrelate to the school on a biannual basis.

Parent Meetings with Teachers

A number of our parents showed interest by attending sessions planned by class teachers last week. Hopefully the sessions were informative for both parents and teachers. Again I thank my teachers who made themselves available for the meetings.

Our Swimming Champions

Congratulations to our swimming champions for 2008. Our champions will be receiving trophies over the next few weeks. **Olivia Silk, Gabriel Galtarosse, Madeline Birt, Tom Davis, Caitlin Galbraith and Mitchell King** were the school champions.

New Family

We welcome three new students to our school over the last few weeks. Welcome to **Samuel Turner and his bother Will**, as well as **Jack Corrigan**.
