THE CANTEEN WILL BE CLOSED FRIDAY 29TH MAY (TOMORROW) FOR LUNCH ORDERS. IT WILL BE OPEN FOR COFFEE AND TEA ETC.

PRINCIPAL'S REPORT

Debate

Congratulations to both our debating teams who had their first debate for 2009 at Blaxland. Margaret Steed, coach, was pleased with both teams and the quality for their presentation. Our A team were successful while the B team lost by a narrow margin. Well done our debating teams.

Leadership Conference

Our student leaders participated in the 2009 leadership conference held at Winmalee High School on Monday. The group worked with teams from other schools as well as listen to guest speakers.

Sports Update

Congratulations to the school cross country team who participated at district last week. Special mention to both our Year 6 students Kate and Sophie who were selected to Region.

Unfortunately state knockout softball has been postponed until next Tuesday as a result of the ground closure. Russell Down and the boys are eager to complete the game that has been delayed already. We are hoping that state soccer will be played on Thursday.

P&C Meeting

A dietician from Panthers on the Prowl program will be available next Wednesday at our scheduled P&C meeting. The dietician will be focusing on children's healthy eating. Next week the prowl program will be focusing on healthy eating with students. Meeting is at 7.30pm, main staffroom.

Annual School Report

Copies of the ASR are available for interested parents. The report provides a detailed account of 2008, the achievements including academic, as well as results of surveys gained from our school community and our targets for 2009. Please ask at either office if you wish to have a copy.

Band Performance

We are planning for our school ensemble group perform at our primary assembly next Friday, week 6. The group has a number of pieces that their have been working on. The assembly will allow them to perform a few of the pieces to students. Parents are welcome to come to the assembly which begins at 12.30pm.

School Involvement with Research on Gas Heating

A number of schools including Glenbrook will be involved with a study relating to gas heating. The study will involve students in 6S where a scientific team will monitor the use of flued and unflued gas heaters over a month.

New Enrolments for Kindy 2010

It may seem early in the year, but such information can assist with forward planning as well as assist us in considering out of area enquires. Could parents who have school aged children, or know of neighbours who are looking to enrol their school aged children for 2010. Glenbrook attracts large interest for enrolments.

Parent Help

Our school is always appreciative of the number of parents who assist in many ways at Glenbrook. Thankyou to Richard Goehner who recently removed some over hanging branches on the K - 2 site.

David Brown
Principal

KW	James Segon
KE	Jennifer Hamilton
1W	Michael Sharpe
1/2M	Holly Ellis
2R	Celia Connolly

3 - 6 AWARDS Term 2 Week

NO 3 - 6 AWARDS THIS WEEK

DISTRICT CROSS COUNTRY CARNIVAL

Congratulations and well done to all who competed last Friday at the District Cross Country Carnival held at the Penrith Regatta Centre. Though the weather left a lot to be desired it didn't dampen the spirits of our competitors. I was most impressed with the team's efforts and the sportsmanship of our students. Many students were pleased with their personal results and some improved on last year's performance.

Two students gained a place in the events. They were: Sophie Peterson 2nd and Kate Taylor 3rd. They will now go on to compete at the Area Carnival at castle Hill Showgrounds on Wednesday June 10th June. Well Done!

P Murray
